

ARTEOR™ — versatility and a global
vision for any
installation level

Arteor™ is the innovative answer
to the increasingly complex
requirements in the building
business all over the world. Arteor™
excels by its unique aesthetics and a
rich choice of innovative designs and
ergonomical options.

40

41

The range extends from wiring devices, through innovative radio automation solutions, up to fully networked home automation systems based on BUS technology, which can also be integrated into third party solutions.

_Design for a global lifestyle

The timeless design of Arteor™ features clearly hi-tech characteristics understandable anywhere in the world. Minimalist and sober, its carefully crafted design is inspired by the most modern technological devices, such as flat screens and digital photo frames, creating the impression that the product is floating on the wall.

_Design options for control functions

Arteor™ offers a wide choice of ergonomics and finishes to satisfy the most demanding customers. All stand-alone control functions are available in two shapes of rockers – round or square – and in two colours – white or magnesium.
